Legal Notices Terms of Use of Bearingsensor.com

The following terms of use apply to all visitors.

1. By accessing the Site, you acknowledge acceptance of these terms of use. In the case of any violation of these terms of use, Thermometrics Corporation reserves the right to seek all remedies available at law and in equity for such violations. Thermometrics Corporation may amend the terms of use from time to time in its discretion. You shall be bound by any such amendments and should therefore periodically visit this web page to review the then current terms of use to which you are bound.
2. All content and graphics on this site are protected by U.S. copyright and international treaties and may not be copied without the express permission of Thermometrics Corporation, which reserves all rights. DO NOT copy or adapt the HTML and or any program code that Thermometrics Corporation creates to generate pages. It also is covered by Thermometrics Corporation copyright. The "**look**" and "**feel**" of Thermometrics Corporation sites also are Thermometrics Corporation trademarks. This includes color combinations, button shapes, layout, and all other graphical elements.
3. Re-use of any of Bearingsensor.com editorial content and graphics *online* for any purpose is strictly prohibited. In quoting Thermometrics Corporation editorial content in promotional materials or on product packaging, Thermometrics Corporation requires that you submit the quoted material and that you sign an agreement with Thermometrics Corporation stating that you will use it in context, attribute the quote accurately, and identify Thermometrics Corporation as the source. Please keep in mind, however, that Thermometrics Corporation does not sponsor or endorse the products or services of others.
4. Except as specified in these terms of use, nothing contained in the Site shall be construed as conferring any license or right under any patent, trademark or copyright of Thermometrics Corporation or any third party. Any product, process, service, invention or technology published on this Site may be the subject of intellectual property rights preserved by Thermometrics Corporation, its subsidiaries or licensors and are not licensed hereunder. No permission is granted to use Bearingsensor.com's name, logo, trademarks, trade names or trade dress for any reason. Permission to use Thermometrics Corporation content is granted on a case-by-case basis. THERMOMETRICSCORP.COM welcomes requests. Please direct your inquiries to webmaster@thermometricscorp.com
5. All information provided on this Site is intended for informational purposes only and is subject to change or withdrawal by Thermometrics Corporation at any time without notice. Thermometrics Corporation assumes no responsibility for the accuracy or completeness of the information on this Site.
6. The thermometricscorp.com logo, the Thermometricscorp.com brand and selected product and service names referenced in the site are registered trademarks, registered service marks, or trademarks or service marks of Thermometricscorp.com. All other logos, brand names, product names and service names mentioned in the site are trademarks or service marks of their respective owners.
7. Any information or material sent to the Site will be deemed to be non-confidential. By submitting information, you represent and agree that Thermometricscorp.com may publish such information and/or material and incorporate it or any concepts described in it in Thermometricscorp.com products or services without liability.
8. Your access to the Site is governed by all applicable federal, state and local laws. All information available on the Site may be subject to the laws of the country where you reside. You agree that any legal action, proceeding or other matters relating to your access to, or use of, the Site or the information contained on the Site shall be governed by U.S. federal law or the laws of the State of California.
9. The Site may contain hyperlinks to other Sites controlled by parties other than Thermometricscorp.com. Thermometricscorp Corporation is not responsible for and does not endorse the contents or use of these Sites.

10. Thermometricscorp.com reserves the right to withdraw access to this Site and revise the content, products, services and pricing described in this Site at any time without notifying you.

11. Access to and use of the Site is restricted to authorized users only. Unauthorized individuals attempting to access these areas of the Site may be subject to prosecution.

12. If you believe your copyright material is being used on this web site without permission, please notify Thermometricscorp designated agent webmaster@thermometricscorp.com

13. The information on this site is provided "AS IS", without warranty of any kind, including, without limitation, any implied warranties of merchantability, fitness for a particular purpose or non-infringement. Thermometricscorp.com further disclaims any liability in connection with the site or the information provided on the site.

14. In no event will Thermometricscorp.com, its directors, officers, employees, representatives or agents be liable to any party for any direct, indirect, special or other consequential damages for any use of the site, the information presented on the site, or any other hyperlinked website, including, without limitation, any lost profits, business interruption, loss of data or otherwise, even if Thermometricscorp.com is expressly advised of possibility of such damages.
